

First Announcement

15th MPU CONGRESS

<http://mpucordoba.mpunion.eu/>

Dear Colleagues,

Attached please find the first announcement of the Congress of the **Mediterranean Phytopathological Union** entitled “**Plant health sustaining Mediterranean Ecosystems**”, which will be held in **Córdoba, Spain, from June 20-23, 2017**. The meeting promises to be an exciting one, and top plenary speakers from different areas of Plant Pathology have already confirmed their participation.

Cordoba is a splendid city located in the heart of Andalusia in Southern Spain and features a unique combination of Roman, Arabic, Jewish and Christian heritage, including UNESCO heritage historical monuments. The Organizing Committee is working to provide attendees not only with a top scientific program, but also with social activities that allow you to enjoy the unique flavors of our city.

Please note that the deadline for **early registration is 15th March 2017**, and the **Abstract submission deadline is 15th of April 2017**.

Please forward the announcement to all the members of your Society, as well as to other colleagues that might be interested to attend.

Looking forward to welcoming you in Cordoba.

Antonio Di Pietro, Blanca B. Landa

Chairs of the Organizing Committee
