

FUEL STAR ® Series

■ Economical electronic pump.

- *And* Consumer – friendly.

Model: FS 101/S 380V

- 1 Product
- 1 Flow meter
- 2 Display
- 1 Suction pump

Features.

- Simple design.
- High corrosion resistance.
- Friendly operation.
- Low noise.
- Link to Central Control System.
- 100% Factory Tested.
- OIML Type Approval.
- ISO 9001-2000 Quality System.
- ATEX Certified Accessories.
- EMC Tested.

General information

- Flow rate : 5 to 50 l/min (Standard).
 - 9 to 90 l/min (Heavy Duty).
 - Horizontal suction distance : 50 m.
 - Accuracy: $\pm 0.3\%$.
 - Repeatability: $< 0.1\%$.
 - Inlet pressure: 54kpa.
 - Volume Preset range: 1.00 to 999.99 Liter.
 - Price Preset range 1 to 999.99 currency units.
-
- Non-resalable totalizing counter : 12 digits.
 - Inlet pipe diam. : 38mm (1.5 inch) .
 - Outlet hose diam.: Ø19mm (3/4").
-
- Hose Length: 4m
